Mighty Hoops circled in **Blue** are compatible with most commercial embroidery machines including the Brother PR and Baby Lock 6 and 10 needle machines, and the Janome MB4. The Brother Persona and Baby Lock Alliance machines can also use these hoops, with the exception of the 8 x 13" and 4.25 x 13"H. Commercial embroidery machines with larger sewing fields, may also be able to use the hoops outside of the **Blue** Circle.

Sizes are listed as approximate inside dimensions of hoops. Sewing areas are smaller. See website for details.
